DON'T SEE WHAT YOU ARE LOOKING FOR?

GIVE US A RING, WE'LL COLOR-MATCH IT FOR YOU.

READY TO PLACE AN ORDER? A FEW QUICK DETAILS TO REMEMBER.

PRISM AND DESIGNER COLORS

Prism and Designer colors are painted. They are available as sign and matte copy colors. *Select Prism vinyl colors are also available in gloss finish. To specify gloss vinyl copy, change number from series 700 to 200. (Example: For vinyl copy option, 715 Yellow copy color is matte finish and 215 Yellow is gloss finish.)

METALLICS

Metallic colors are painted. They are not available for most Subsurface applications or Direct Print copy.

PAPERS

Willow is stocked in popular sizes, other sizes may require a longer lead-time. Custom papers are available.

WOODS

Woods are woodgrain laminates.

METALS

Metals are aluminum laminates, available for Modular Inserts only. **A faux aluminum is available for Arc Inserts in select metal finishes.

END CAPS / EDGE RAILS

End Caps and Edge Rails are available in painted colors and 101 Satin Natural (excludes Round Corner End Caps).

ACCENT STRIPS / TRIM

Accent Strips and Top/Bottom Trim are available in painted colors and 101 Satin Natural.

CUSTOM COLOR-MATCH

Initial Custom Color-Match fee is \$100 NET. Orders under \$1,000 NET incur a \$75 NET set-up fee per custom color, per order.

RETIRED COLORS

Retired colors are available free-of-charge for pre-existing installations.

COLOR SAMPLES

Color renditions are limited in accuracy due to the printing process. Actual samples are available upon request.
