Installation Instructions
## SmartStrip

2/90®
Sign Systems

Insertion of Paper Items:

The Smart Strip rollers adjust to hold various thicknesses of papers up to 1/16" without tacks, pins or tape. Simply insert the material to be displayed into the rollers; the rollers self-adjust to hold the display material.

Removal of Paper Items:

Push paper up into the Smart Strip and slide it either to the left or the right to remove.

Typical Applications:

IMPORTANT: Prior to installation, remove all contents from box and inspect each sign for damage. Box should contain signs, hardware, and mounting instructions for each style of mount used. Surface of the sign must be handled with care. Clean with water and mild detergent.

Customer is responsible for suitability of each mounting option. Testing is recommended prior to each use.
