

PlusOne Installation Instructions

Magnet Mount

Applicable for PlusOne Workstation Nameplate.

This mount is intended for steel surfaces.

1. Place sign lightly on steel surface and check position.

Note: Movement may occur when signs are placed on moveable steel surfaces – i.e. doors and partitions that close abruptly.

If there are any questions, please contact our Technical Support Department at 800.777.4310.

Typical Application:

IMPORTANT: Prior to installation, remove all contents from box and inspect each sign for damage. Box should contain signs, hardware, and mounting instructions for each style of mount used. Surface of the sign must be handled with care. Clean with water and mild detergent.

Customer is responsible for suitability of each mounting option. Testing is recommended prior to each use.
