

PlusOne Installation Instructions

Pin Mount

Applicable for PlusOne Workstation Nameplate.

This mount is intended for fabric covered surfaces.

1. Position sign on panel with top front of sign tilting outward. This position enables pins to penetrate into the fabric at a proper angle.
2. After initial pin penetration, slide sign downward along face of wall/panel. Sign will “bottom out” 1-1/2” below original position.

If there are any questions, please contact our Technical Support Department at 800.777.4310.

Typical Applications:

IMPORTANT: Prior to installation, remove all contents from box and inspect each sign for damage. Box should contain signs, hardware, and mounting instructions for each style of mount used. Surface of the sign must be handled with care. Clean with water and mild detergent.

Customer is responsible for suitability of each mounting option. Testing is recommended prior to each use.
