Applicable for PlusOne Workstation Nameplate.

This mount is intended for mounting thin style signs onto panels with steel top cap. The mount is designed to rest on the top cap of the panel, secured by a magnet. The top of the sign is flush with the top of the panel.

1.   Place mount on panel top.

Note: Movement may occur when signs are placed on moveable steel surfaces – i.e. doors and partitions that close abruptly.

If there are any questions, please contact our Technical Support Department at 800.777.4310.

Typical Applications:

IMPORTANT: Prior to installation, remove all contents from box and inspect each sign for damage. Box should contain signs, hardware, and mounting instructions for each style of mount used. Surface of the sign must be handled with care. Do not remove. Clean with water and mild detergent.

Customer is responsible for suitability of each mounting option. Testing is recommended prior to each use.
