

Applicable for PlusOne Workstation Nameplate.

This mount is intended for permanent mounting on smooth, hard surfaces such as glass, steel, dry wall, or plastic. It is not to be used on vinyl wall coverings. Mounting surface must be clean and dry to ensure good adhesion.

1. Remove backing from tape.
2. Align sign for position, check for level, and then apply firm pressure for good adhesion.

If there are any questions, please contact our Technical Support Department at 800.777.4310.

Typical Applications:

IMPORTANT: Prior to installation, remove all contents from box and inspect each sign for damage. Box should contain signs, hardware, and mounting instructions for each style of mount used. Surface of the sign must be handled with care. Clean with water and mild detergent.

Customer is responsible for suitability of each mounting option. Testing is recommended prior to each use.
