

DEALERS
PLUSONE[™]
ECONOMICAL | EASY | FAST

PLUSONE Workstation Nameplates simplify the sales process for dealers while adding a personalized touch to each workstation. Specifications are pre-determined including the sign's design, size, and color – just choose the perfect mount! Clients can easily print their names on supplied perforated paper using online templates. PLUSONE is a stocked Quick Ship product that can ship in little as two weeks. Experience the profitability, convenience, and speed of PLUSONE, the ultimate solution for personalized workstations.

// PLUSONE™

YOU SPECIFIED THE FURNITURE. DON'T FORGET THE SIGNS!

ECONOMICAL

PLUSONE offers a profitable, affordable, and efficient solution for workstation name identification. At just \$19.49 NET, our signs are budget-friendly and come with free shipping and handling within the contiguous U.S. Say goodbye to hefty shipping costs and hello to savings!

EASY

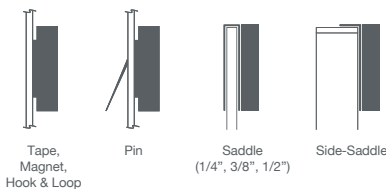

PLUSONE simplifies the specification and ordering process. Everything is pre-determined, allowing you to focus on what matters most—your business! Simply choose your preferred mounting option, and we'll take care of the rest.

FAST

Need your signs in a hurry? We understand the importance of speed! Enjoy a 2-week Quick Ship lead time for orders under 200 signs. For larger orders, our dedicated Customer Service team is here to assist you!

PLUSONE is both a valuable accessory item and an essential tool for your business. Don't open the door for competitors to sell signage to your clients—secure your client relationships with PLUSONE. Looking for a long-term relationship? Contact 2/90 at 800.777.4310 for our full line of facility signage.
